The submitted resolutions amend the Policy Book Sections 3.2, 3.4, 3.1,2.5

Be It Resolved That Section 3.2 of the NDP Policy book be amended to read as follows:

3.2 (b) Increasing post-secondary education transfer to provinces and territories to at least pre-1990 levels of support.

3.2 (c)

Measures to halt the present commodification of higher education as seen in unduly large class sizes, high student fees (in addition to the present punitive high tuitions), reduced full-time faculty and support staff positions, dependence on contract works and, in general, to ensure high standards of instruction.

Be It Resolved That Section 3.4 of the NDP Policy book be amended to read as follows:

(c) Prohibiting discrimination based on poverty and economic position by working towards the establishment of a basic guaranteed income.

Be It Resolved That Section 3.1 of the NDP Policy book be amended to read as follows:

3.1 (a) ... public health care, including pharmacare and dental care, that is transferable between provinces and territories.

3.1(o) ... Canada Health Act is enforced and the range of services extended to include dental care, home care, palliative care and prescription drugs.”

Be It Resolved That Section 2.5 of the NDP Policy book be amended to read as follows:

2.5 (a) (second bullet)

All Canadians should have access to adequate amounts of affordable high-quality, culturally appropriate, healthy food.
